## **SCAM ALERT**

**December 27, 2011**

Another scam has surfaced as a text message going to cell phones and it appears to be coming from HUNTINGTON NATIONAL BANK and asking you to call 2182827253. When doing so a pre-recorded message states that your debit card has been stopped and asks that you enter your card number to re-activate it.....It is a phishing sceme to get your number. A Huntington official has verified this is a scam. Also the Federal Trade Commission has disconnected this number because it was a scam. If anyone did respond to it and give their debit card number, they need to contact Huntington immediately.

Sheriff James Beutler

A handwritten signature in black ink, appearing to read "James Beutler". The signature is written in a cursive style with a large, sweeping initial "J".
