Computer Formula for School District Income Tax Withholding

Caution: Please see Exception below.

- Daily payroll period: Federal wage base minus \$2.50 for each exemption times the school district tax rate
- Weekly payroll period: Federal wage base minus \$12.50 for each exemption times the school district tax rate
- Biweekly payroll period: Federal wage base minus \$25 for each exemption times the school district tax rate
- Semi-monthly payroll period: Federal wage base minus \$27.08 for each exemption times the school district tax rate
- Monthly payroll period: Federal wage base minus \$54.17 for each exemption times the school district tax rate
- Annual payroll period: Federal wage base minus \$650 for each exemption times the school district tax rate

Exception: Several school districts have enacted an alternative earned income only tax base. Residents of these school districts are not entitled to the exemption adjustment. Employers must withhold the school district tax on all federal wage base compensation paid to employees residing in these school districts. These earned income only tax base school districts are included on the enclosed listing.
